

MID MICHIGAN WASTE AUTHORITY SPECIAL WASTE DROP OFF DAYS

2020

Open **ONLY** for residents of
Saginaw County, Bethany Twp,
Village of Breckenridge
and Wheeler Twp

For safe disposal of household special waste items, including paint, electronics & hazardous chemicals

All events held @ Mid Michigan Waste Authority 2063 S Miller Rd, Saginaw

Residents **MUST** make appointments.
Please call Mid Michigan Waste Authority at (989) 781-9555 for details.

Events may be canceled due to
public health & safety concerns.

We recommend checking our
Facebook page or calling our office
the day before the event.

All-in-One Drop-off Days

Saturday, July 18 9 am to 1 pm
Tuesday, August 11 2 pm to 6 pm
Saturday, August 22 9 am to 1 pm
Saturday, September 26 9 am to 1 pm

What to bring:

HOUSEHOLD HAZARDOUS WASTE

including motor oil, gasoline, antifreeze, mercury, kerosene,
acids, aerosols, fluorescent bulbs, lawn/garden chemicals, lead
acid batteries, smoke detectors, glues & adhesives,
hobby chemicals, misc. cleaners and corrosives

ELECTRONICS

including televisions, computers, hard drives, laptops,
keyboards, printers, mice, fax machines, phones, scanners,
tablets, monitors, and misc. cables and cords

PAINT

including spray paint, latex paint, oil-based paint,
caulk, stain, and varnish

Eyeglasses and eyeglass cases

DOCUMENT SHREDDING DAY

Thursday, September 17 2 pm to 6 pm

What to bring:

Up to two boxes of paper documents per person
for confidential on-site shredding

**MMWA is no longer a
Polystyrene Foam drop off site**

NOTE:

This year there are no separate days for paint,
electronics and hazardous waste. All items
(except documents to be shredded) should be
brought to the All-in-One Days.

HOUSEHOLD Special Waste Program Rules:

Proof of Residency required
No farms, schools or businesses
No containers over 5 gallons
Containers will not be returned

Do NOT bring:

CRT tubes removed from televisions
Explosives or ammunition
Tires
Asbestos

Electronics that are not TV or computer related

SAFE TRANSPORTATION TIPS

Do not mix different chemicals!

*Leave substances in their original containers,
and make sure caps and/or lids are securely
closed. Place containers in sturdy boxes in
an upright position.*

Never transport leaking or open containers.

IMPORTANT:

When you make your appointment,
please let us know if you have unknown or
unlabeled chemicals. Safety is a priority!
